*Then God said, "I am giving you a sign of my covenant with you and with all living creatures, for all generations to come. I have placed my rainbow in the clouds. It is the sign of my covenant with you and with all the earth. ... Never again will the floodwaters destroy all life." – God to Moses @ Genesis 9*

*Soon I will die, going the way of everything on earth. Deep in your hearts you know that every **promise** of the LORD your God has come true. Not a single one has failed! – Joshua's good-bye*
